DESCRIPTION OF THE OPTIONAL TUITION PROTECTION PLAN

OPTIONAL - FOR NEW OR CONTINUING ELEMENTARY STUDENTS – OPTIONAL TO BE COMPLETED PRIOR TO YOUR CHILD’S FIRST DAY OF THE UPCOMING SCHOOL YEAR

Creative Frontiers Elementary Program has always functioned on a basic 9-1/2 monthly payment tuition contract for the stability and general well-being of it's elementary student body and staff. It is in your child’s best interest and you will find most quality private schools do this as well. If you feel uncomfortable committing yourself to a full school year term due to a pending move, job transfer, etc., this option might be just right for you!

The fee is a simple 4.9% of your minimum school year (9-1/2 month) commitment. For example, if your child will attend the regular school day schedule at \$595.00/month, the 9-1/2 month basic would total \$ 5,652.50: The cost for the Tuition Protection Plan is 4.9% of \$ 5,652.50 (\$277.00). Another example, if your child will attend the full time schedule at \$685.00/month, the 9-1/2 month basic would total \$ 6,507.50: The cost for the Tuition Protection Plan is 4.9% of \$ 6,507.50 (\$319.00).

Purchasing this is optional and available for any new or continuing elementary student. Please note this once-a-year special offer: If you are “priority registering” by March 31 you will have an opportunity to accept this plan at 25% off the regular cost: Either \$70 off the school day schedule rate or \$80 off the full day schedule rate.

PLEASE DETACH & RETURN A COPY WITH TUITION CONTRACT AND REG. FEES (IF INTERESTED)
