## WELCOME BACK for 2008-2009

We are very excited about this years PTA. You might have seen us the first day of school with donuts and Starbucks coffee for the parents. This was our way of welcoming you back to school!

We had a very successful turnout for our first PTA meeting last Tuesday evening. Thank you to all of the parents who came and those of you who emailed about your intent to come. We look forward to meeting you and hope to add to our members next meeting!!

We will soon be posting our minutes on the email so you can see what we discussed.

Our **CARNIVAL** is right around the corner and we

have already started planning for this event. Some plans are under way already. Ms. Cindy and I will have the "to do list" ready at our next meeting on Thursday, 9/25. 6:15pm- 6:45pm right before back to school night.

Mr. Bob has been working with a former parent Steve Adair/Owner of Healthy

Homes in Fair Oaks, and SMUD to help us build a solar Multi Purpose room for our school. We already have the building on site, we just need the cement pad poured. We can use this for our assemblies, meetings and all of our events.

This will be a start to making our school become a truly "green" environment!
